Directions: Did you meet the success criteria? To reflect on your learning, answer the questions in the chart.

Success Criteria:

1.

2.

What are two examples of how our class decided to meet the success criteria?	Did I use these examples? If so, write out how you used them.	How did I do with meeting the success criteria? Do I feel I have accomplished something or still need to practice?	How can I improve my learning based on how I did with the success criteria? (List two things you will do in the future.)
